Educational Bursary Criteria Royal Canadian Legion Branch #1

Charlottetown, PEI

www.CharlottetownLegion.ca

1. Royal Canadian Legion Branch #1 Charlottetown administers an annual educational bursary program consisting of ten bursaries in the amount of \$2,000.00 each. The bursary program is funded by proceeds from our Poppy Campaign, held in a public trust, that are disbursed in support of Canada's Veterans and various programs in our local community.
2. Bursaries are awarded to assist young men and women entering their first year of post-secondary education. Post-secondary education is defined as any type of education beyond Grade 12, including academic, vocational, and technical training that normally require a Grade 12 standard as a pre-requisite. At the discretion of the selection committee, the Grade 12 requirement may be waived for certain types of vocational and technical training.
3. Bursaries are available to children, stepchildren, and grandchildren of a Veteran ("Sponsor") who is living or deceased. Applicants must reside in the Charlottetown area as defined by PEI Command of the Royal Canadian Legion for the purposes of the annual Poppy Campaign.
4. In the selection of successful candidates, financial need shall be a primary consideration. Academic attainment, and natural mechanical or artistic aptitude will be important considerations.
5. Applications must be received by the annual deadline, along with an official transcript of marks from the last academic year, by hand to the Charlottetown Legion office at 99 Pownal St, or by mail to:

RCL Educational Bursaries
Charlottetown Legion
PO Box 134
Charlottetown, PE C1A 7K2

6. Bursary recipients will be announced in the month of June, during graduation exercises where possible.
7. Bursaries are awarded conditionally. Successful candidates must attend a post-secondary institution. One-half of the bursary will be forwarded to the educational institution of the candidate's choice, and in the candidate's name, during the month of August. Subject to continuation of the educational program, the remainder will be forwarded in the following January. If candidates either do not attend a post-secondary institution in the year of award, or do not continue their studies, the bursary is forfeit.
